Dear Chapter President:

On behalf of the Society for Human Resource Management, I am pleased to confirm that your chapter has been awarded the 2008 Superior Merit Award. This award recognizes outstanding achievements in chapter operations and a commitment to providing meaningful programs and services to your members.

By achieving this award, your chapter distinguishes itself as an outstanding organization dedicated to serving the needs of your members and to the advancement of the human resource management profession. Throughout the year, we will continue to recognize your chapter's achievement as a Superior Merit Award chapter.

Enclosed you will find your chapter's certificate of accomplishment as well as a banner to be displayed during chapter meetings. The award logo and press release is available for downloading in a variety of formats at <http://edit.shrm.org/Communities/VolunteerResources/Pages/SHRMSuperiorMeritAward.aspx>.

The logo and press release is a great way to "tell the world" of your accomplishment on your chapter's stationery, newsletter, and web site. If a different format is required, please contact your Regional Administrator.

Congratulations on your achievement.

Sincerely,
